Dear Nagle Community,

Exams
Our Year 11 and Year 12 students have just completed their exams and you will soon receive reports. The teachers, I am sure, will have lots of good advice about how the students can improve their performance, moving forward. Exams are an important part of the education system, we finish Year 12 with them and students need to know how to function under exam circumstances. Clearly some students, particularly Year 11s, were under prepared, given that this was their first exam and there is a good lesson to be learned from this experience. I encourage you to discuss the importance of adequate preparation and heeding the advice of the teachers involved.

Year 12 Retreat
Our Year 12s recently completed their Camino Walk and Retreat. This is an important part of the College’s Year 12 program. Their studies are obviously their primary responsibility, but involvement in their spiritual development is also very important. The feedback I have had from the teachers and students is that the Year 12 Retreat was an outstanding success. The students participated in all the activities and they were outstandingly behaved. I would particularly like to thank and congratulate the Year 12 teachers and particularly, Mr Andrew Donaldson, for giving up their time to be with the students over these days. This event is a real feature of our calendar and our students look back on it fondly.

Mr Declan Tanham
Principal

Reminder!

- Friday 31 May is a Pupil/Staff free day for the Boarders’ Long Weekend. The Front Office will be closed.
- Monday 3 June is a Pupil/Staff free Day to commemorate WA Day. The Front Office will be closed.
- The winter uniform is compulsory on Tuesday 4 June, after the long weekend.
Late Arrivals to School

School starts at 8.40am sharp. Students arriving after that time must be accompanied by a parent or a parent must provide a text message, phone call or note of explanation, prior to 9am.

- SMS: 0408 018 103
- Phone: 99200500 (answering machine operates after hours)
- Email: absent@ncc.wa.edu.au

Winter Uniforms

The College winter uniform becomes compulsory from 4 June.

Some of our girls have started wearing the tartan winter skirt, but have grown a little since the last time they were wearing it! The winter skirt should sit below the knee. As a guide, have your daughter kneel down and if the skirt just touches the ground then it is fine. If it is any shorter than this, it will need to be adjusted.

Could we please ask that if your daughter does need her skirt altered, that you have this done as soon as possible. (As a fundraiser for the SFX Cathedral Restoration, Ms Mavis Taylor has offered to provide a School Uniform Mending and Alteration Service. Please see the last page of this Newsletter for full details).

A reminder too, that boys’ hair needs to be of a consistent length, off the collar and above the eyebrows.

The College has a policy of asking students to fix any uniform issues and give the students one week to do this. If it is not done after one week, we will ask parents to collect their child and keep them away from the College until the issue has been resolved. We do this in order to be fair and consistent for all students and also to ensure issues are resolved quickly.

We thank you for your support with these matters.

Mr Mike Williams and Mr Danny Bowen
Directors of Students

For your convenience

Winter Scarves are available for purchase from the front office. They are $15 each.

Hats are also available for purchase from the front office for $10 each.

Please ensure that all winter clothing, especially jumpers and sports jackets, is clearly marked.

Friendly Schools Project

In the last Newsletter, (Issue 6) I wrote about attending a day long session with Professor Donna Cross, as part of the Midwest Education Office Leadership program. I would like to share some more notes with you from that session that, hopefully, you will find interesting.

Some interesting statistics:

Australian Covert Bullying Prevalence Study involving 7,000 8-14 year olds showed:

- 27% of students in Years 4-9 are bullied every few weeks or more often
- Year 5 students most likely to be bullied (32%) then Year 8 (29%)
- 6-25% of Australian students aged 10-14 report being cyber bullied every few weeks or more (frequency closely linked to age)

Where/when does bullying occur?

- 51% at recess
- 19% in class
- 16% on way to school
- 7.5% on way home from school
- 10-25% online

We should treat social mistakes in the same way that we treat other learning errors. In both instances we need to address the child’s needs. In the second instance we need to take them aside, address their social skills and provide them with opportunities to learn better ways to interact with others. The real focus is on learning and the individual needs of the child. We must not assume that they know better.

What do young people want to know?

Information about social, psychological and legal consequences; information about what to do if they receive a sexting message. If a girl takes a lewd photo of herself and sends it to a friend then she is liable as a transmitter of porn.

/cont
When the friend receives it, they are liable as a holder of porn. If a teacher (or anyone really) is sent the photo, they should delete it without opening it. As soon as you open it, you are considered to be holding. The photo isn't lost - the police can retrieve it.

**What action is most needed? We need to work on:**

- Mobilising Bystanders. Bullying stops within 10 seconds of peer intervention. Reconciliation was faster than when teacher intervened. ‘Supported’ students are better adjusted and less likely to be further bullied.
- Help seeking
- Peer support

**We need to deal with:**

- Outcome expectancies
- Covert bullying
- Assessing needs and capacity (building)
- Social norms and normative expectations

**How to help:**

- Listen without interrupting.
- Sit/walk shoulder to shoulder. More comfortable than face to face.
- Take their concerns seriously.
- Encourage them to talk in detail about incident.
- Prompt with open-ended questions.
- Show you believe them.
- Talk about what tried/worked/could work.
- Talk about options.
- End with encouragement.

**There needs to be a balance between education (restorative justice), prevention and consequence.**

It is timely, that we at Nagle Catholic College, are reviewing our bullying policies and management, with assistance from the P&F. Current sanctions which were recently endorsed by our parent body are:

1st bullying offence - Lunchtime detention
2nd bullying offence - In-School Detention
3rd bullying offence - Home suspension and re-entry interview with the Principal.

Mr Danny Bowen
Director of Students

**University Prospectuses**

The 2014 University Prospectuses are now available for the five Perth Universities. Your son or daughter can collect them from the Careers office. Please remember that these only provide an overview of the course that they offer and more detailed information can be found on the University’s website.

**Tax File Number**

All students who are over 13 Years of age and are at Secondary school full-time, can obtain a Tax File Number through the College. Application forms can be collected from the Careers office. These need to be completed and handed in to Mrs Peake with the student’s birth certificate (can be a copy).

**Geraldton Universities Centre**

On Thursday 27 and Friday 28 June, all Year 10 and Year 12 students on an ATAR pathway will be attending talks at the GUC from the Perth Universities and from the GUC. They will have the opportunity to hear about University life and about the courses that they have on offer. Students will also have the chance to discuss course selections and pathways with the University staff. Students will be notified closer to the time as to which day and session they will be attending.

**Certificate II in Data and Voice in 2014**

Year 10 students who are looking to complete the Certificate II in Data and Voice in 2013, will need to complete the PAIS Certificate II in Electro Technology course in Year 11 first and then they can transfer to the Data and Voice program in 2014. This change is due to staffing shortages in these areas at Durack.

Mrs Sara Jennings
Careers Department

**Attendance**

If your child is going to be absent from school or late to school, please advise the front office before 9am on the day.

**SMS THE ABSENCE**

0408 018 103

**Student Departures**

Parents are reminded that in accordance with the Conditions of Admission, which were communicated to you with the Enrolment Acceptance Form, that day students are obliged to give one full school term’s notice in writing of your intention to remove a student from the College and that you are otherwise liable to pay the full term’s fee.

Due to the closure of the Boarding House, the school term’s notice is not required for boarding students.
The Society and Environment Learning Areas is pleased to offer 40, Year 9 students an opportunity to visit Canberra later this year.

This trip supports civics and citizenship education. The trip departs on Sunday afternoon 22 September and returns Saturday night 28 September. The trip will be led by Miss Wain, Mr McKenna and Mr Clarke.

The cost of the trip is $1450 per student (payable in three scheduled payments). However, a rebate of $260 is returned in 2014 by the government and is credited to your school fee account. The cost of the trip covers transport, accommodation, food and entry fees to all activities listed in the itinerary. Students are permitted to bring a small amount of extra money for shopping.

Nagle Catholic College policy requires that students and their families be able to fund the costs of the trip, the student’s family be in good financial standing with the College and students need to have a good record of behaviour.

Should there be more than 40 eligible students, names will be drawn by ballot. Please discuss the implications of this with your child. Their peer group may not be with them. Successful students will be given permission forms which must be returned with the first of the scheduled payments. Please do not send in any payment for the trip until a place for your child has been confirmed.

Below is a summary of the itinerary:

**Sunday 22** – Coach to Perth, Qantas overnight flight to Sydney.

**Monday 23** – Breakfast at Bondi, Sydney Tower and 4D theatre, Harbour cruise, coach to Canberra.

**Tuesday 24** – Black Mountain Tower views, High Court, Questacon, Australian Institute of Sport, Evening Movies.

**Wednesday 25** – Mount Kosciusko – bob sled, hike, fun in the snow.

**Thursday 26** – Australian War Memorial, Government House, Old Parliament House, Evening ice skating.

**Friday 27** – Parliament House, National Capital Exhibition, National Museum, cycling in Canberra, evening shopping.

**Saturday 28** – Cockington Green miniature gardens, Canberra glass works and tile making. Return to Perth and Geraldton.

Students have been given the opportunity to collect an expression of interest form at school. This is to be returned no later than 3.15pm Friday 7 June 2013.

Just a couple of important things:

- Please keep those permission forms coming in. They need to be at the Front Office no later than Wednesday 5 June.
- I am in the process of designing a handbook for students that includes information for each of the days, for example, groups, activities, where to meet, expectations, what to wear, what to bring, what’s for lunch etc). The handbook will be handed to students at a meeting on Friday 21 June. If students are unable to make this meeting, (Lunch and period 6), it is their responsibility to catch up with me beforehand, to receive a copy of all of this information.
- Students will be allowed to wear casual dress for the following Days: Nagle V Wild, Dare to Care and Tomorrow is all about Today.
- Students must wear their PE Uniform for Big Day Out, Survivor Camp School and Inspirations.
- Mrs Thuijs is in the process of sorting CSL Activities for the Program. Students will be notified of where they will be completing their Dare to Care CSL Requirements, as soon as they are finalised.

So far, things are coming together nicely and there is a real buzz within the Year 9 cohort. Please don’t hesitate to contact either Mr Bowen or myself at the College if you have any queries about the Clár Solais Program.

Mrs Chris Plunkett
Clár Solais Coordinator
plunkett.chris@cathednet.wa.edu.au
Food Technology

Term 1 was extremely busy in the Home Economics Learning Area! There was a lot of work in all classes, that centred around safe food handling and Nutrients.

The Year 7s enjoyed breakfast foods such as Apple Muesli and Tiger Toast, followed by some simple snacks. Quesadillas were a favourite with the students.

Year 8 students baked a variety of recipes that involved techniques for cooking scones, muffins, biscuits and cakes. This should provide them with a sound knowledge base for Years 9 and 10. The students also developed a thorough understanding of oven usage.

The Year 9s held a picnic and several parties and they have excelled in their food production and team work.

An investigation into fibre and the production of high fibre foods was one topic for the Year 10 students. They created a most delicious Rhubarb and Apple Crumble piled high with oats. This really hit their taste buds and it has been the most frequent request from them ever since.

At present, the Year 10s are on a ‘Tour Around the World’ and they have made Australian, Greek, French, Indian and Scandinavian Food. This is a most enjoyable task and students learn so much about ingredients, flavours and techniques that relate to these specific areas.

The Year 11 students have focused on Healthy Foods and food issues that we face in society - diabetes, obesity, high blood pressure and eating disorders. They have also learnt many new cooking terms and techniques such as mise-en-place, julienne, brunoise and paysanne, to name a few.

Year 12 students have also carried out an intensive investigation into their own food habits and intakes, to discover if they eat the required nutrients for their optimum health. In order to do this activity they have utilised two computer programs that provide extensive analysis of their food intakes.

At present, we are gearing up for The Biggest Morning Tea, a Healthy Food Expo for students in the Great Court, Rags to Riches and a change-over of classes on 10 June. How the time will fly!

There is never a dull moment in Food Technology - always a great aroma, flavour and presentation to be seen and admired. The students are wonderful in the way that they engage in this learning area.

I look forward to students enjoying the success of the above events.

Mrs Robin Meder
Food Technology Teacher
Mr Ramos, Miss Wain, Mr Italiano and Mrs Connolly, along with thirty Year 12 students, walked from Subiaco to New Norcia, as part of their preparation for the Year 12 Retreat.

The founder of New Norcia, Bishop Dom Salvado, used to walk from New Norcia to Perth for supplies and to collection donations for the Benedictine Monastery. This walk is known as Camino Salvado. Camino Salvado was an amazing and spiritual experience for our staff and students, as they walked about 130km for five days to meet the rest of the Year 12 students in New Norcia.

The Year 12 students, on Wednesday 22 May, embarked on their Retreat to New Norcia until Friday 24 May. New Norcia is a monastic town which was established by Bishop Dom Salvado in 1847, in which students experienced the lifestyle of the Benedictine Monks. Students were able to enrich themselves in the history and culture of the town, with a visit to the Museum and Art Gallery.

The boys stayed at St Ildephonsus and the girls stayed at St Gertrude’s. Both of these places used to be boarding houses until the early 1980s.

There were various sessions presented by our staff and the New Norcia staff about youth spirituality, which challenged students to consider their relationships with their family, friends, parents, God and future pathways.

This was a great opportunity for Year 12 students to come together as a leadership group. They represented the College with pride and distinction. New Norcia provided opportunities for staff and students to nurture their faith formation.

On the last day, we celebrated Mass at the Abbey Church with Father Tai. Students, Luke Clarkson, Clancy Blight and Ciara Taylor shared their Retreat and Camino Salvado experiences. The students were very surprised with New Norcia, as it became a place of prayer, reflection and a way to develop a deeper relationship with God.

Overall, the Retreat has been a positive experience for our students and they enjoyed the various prayer opportunities with the Monks. A select group of students and staff had lunch and dinner on Wednesday and Thursday with the Monks, which enabled them to find out more about the Benedictine lifestyle.

Thank you to our dedicated staff who made the Retreat possible, Mrs Alexander, Mr Bowen, Mr Fariss, Mr Gregson, Mr Italiano, Mrs Jennings, Mrs Mines, Mrs Power, Mr Plunkett, Mr Ramos, Ms Seaward, Mrs Connolly, Miss Wain, Mr Williams and Father Tai.

Mr Andrew Donaldsdon
Director of Ministry & Organisation

The 2013, Cross Country Event will be held on 12 June. Students will run a 3.2km course from Brigades football oval at Eadon-Clark, onto Green Street and around the back of the Spalding Park Golf Course before finishing back at Brigades football oval.

Bishop House is looking for back to back championships, but has very strong competition from the other Houses.

Good luck to all students and may the best House win!

Mr Joe Italiano
Health and Physical Education teacher

Mr Andrew Donaldsdon
Director of Ministry & Organisation

The boys stayed at St Ildephonsus and the girls stayed at St Gertrude’s. Both of these places used to be boarding houses until the early 1980s.
**Freo Dockers Shield**

Last Friday Mr Ebsary and Mr Gutsa, along with Year 11 students, Stewart Whiteaker and Nathan Oakley, took two teams of super-excited Year 7 footballers to the inaugural (for Nagle) Freo Dockers Football Lightning Carnival.

Both teams faced four games in as many hours, with a chilly wind making for tough, early conditions. As the day progressed and conditions eased, the skills improved and some great football was on display by both teams.

Nagle 1 were well served by Alex Ducas (captain), Kurt Crudeli, Jai Jackson and Coup Taylor. For Nagle 2, best players included Dean Weeks, Dylan Ralph, Hudson Toomey and Kaj Mosedale.

An undefeated Nagle 1 were the eventual winners of the Year 7 Division, with Alex Ducas named as Best Player.

All boys represented Nagle in a wonderful manner and should be proud of their efforts and conduct on the day.

Mr Ben Ebsary and Mr Kumbirai Gutsa
Football Coordinators

---

**Nagle College Band**

Nagle Catholic College Concert Band will be setting off on the trip of a lifetime in coming weeks.

Nagle music students, along with students from Geraldton Senior College and John Willcock College will travel to Sydney on 7 July, for a seven day musical extravaganza.

Coordinator, Mrs Simone Bailey-Hough said the students would have the opportunity to play at some world renowned venues such as The Sydney Town Hall, Darling Harbour, and The Opera House.

“The students will also have the chance to learn from performers from around the world, who will be coming to Sydney for this event,” she said.

**The students are currently fundraising for the trip, and will be holding a major event at Dome on Monday 10 June.**

“We want people to come along, listen to the concert band play, and also get involved in the big auction,” Ms Bailey-Hough said.

For more information, and tickets to the event, contact the College.

Mr Peter Fiorenza
Public Relations
Sorry Day 26 May
National Reconciliation Week 27 May – 3 June

Last Sunday 26 May, was Sorry Day – a day in the national calendar to commemorate and remember those Indigenous Australians of the Stolen Generation, who were taken from their families.

On Friday, our Aboriginal students and their friends observed Sorry Day in the Presentation Chapel, along with Bishop Justin and staff.

Students participated in delivering various prayers of reconciliation. Year 9 student, Chiari Djiaqween, spoke about her family and her country and Mr Shaw spoke about the importance of Sorry Day and National Reconciliation Week.

Students and staff also wore a ribbon to mark Sorry Day and shared information in Home-Group about the importance of Sorry Day and National Reconciliation Week.

This week is National Reconciliation Week, which marks two of the most significant occasions in national reconciliation - the successful 1967 referendum to give Aboriginal and Torres Strait Islander peoples citizenship rights and the 1992 Mabo decision by the High Court that has led to Native Title.

Year 8 CSL

Year 8 CSL Journals are due on Tuesday 4 June (next week); boxes have already been placed in each of the Year 8 Religious Education rooms for easy submission.

There has been a little bit of panic in the last two weeks, but many students have been getting last minute ideas or solving the few obstacles that seem inevitable with a service orientated program, which is a promising sign.

We will be commencing our Reflection Lessons in Week 6 and these are always an insightful and rewarding experience. I am looking forward to hearing all the highs and lows of everyone’s endeavours.

Year 7 CSL

The Year 7 Christian Service Program is now also underway. All students should have the electronic version of the CSL Journal and everyone is encouraged to show their parents the program requirements page and discuss CSL with them. (I am hoping this has already happened!)

Each student has been given an orange Service Record sheet to fill in as they complete service activities and this must be signed by a parent or guardian. This year Mrs Alexander’s Edmodo page is also being utilised, so if any student is feeling a bit confused or short of ideas, I encourage them to seek advice and assistance via this avenue.

The general response from the Year 7 cohort has been positive and enthusiastic, which is very pleasing and I expect many individuals will effortlessly exceed the time requirements.

“Great opportunities to help others seldom come, but small ones surround us every day.” ~Sally Koch~

Miss Shelley Nodwell
Years 7 and 8 Christian Service Learning Coordinator

Sorry Day 2013

WORLD, will see students from across The Arts Learning Area, explore the role of technology in today’s society.

Tickets available from the front office from Thursday 6 June. All proceeds donated to the Saint Vincent de Paul Society.

Mr Neil Gregson
Rags 2 Riches Coordinator

Rainbows is a peer support leadership group and is not counselling. It aims to help students deal with significant life changes, including grief and loss.

Please see the attached letter, at the end of this newsletter for further details. Registration options are also provided for new groups commencing Term 3, 2013.

Miss Taryn Stodel
College Counsellor

It is all happening in the Christian Service Learning area at the moment! It’s such an exciting time and I am sure this will be a most fruitful year for our students.

It has been fantastic to see students participate in the Walk Against Want, the RSPCA Million Paws Walk, where I met many cute canine companions; serving tea and coffee at Parent Teacher Interview Evenings; assisting at various schools’ fêtes; making culinary delights for Home-Room groups; helping family members in a variety of capacities and generally getting involved in different groups and communities to which they belong.

“Great opportunities to help others seldom come, but small ones surround us every day.” ~Sally Koch~

Miss Shelley Nodwell
Years 7 and 8 Christian Service Learning Coordinator

From the College Counsellor

Rags 2 Riches

It is almost that time of year once again! The Arts Showcase, Rags 2 Riches 2013, will hit the stage at the Queens Park Theatre on Tuesday 18 June.

This year’s theme, OUR DIGITAL
Twenty-eight Year 12 students, took on one of the greatest challenges of their life recently, when they embarked on Western Australia’s own pilgrimage experience, the Camino Salvado.

The Camino (Spanish for “the way”) is a 150km walk from Subiaco in Perth to New Norcia, that honours the life, work and memory of Bishop Rosendo Salvado, the first Bishop of Perth and the founder of New Norcia.

The pilgrims met people along the way from many walks of life and shared stories with those they encountered. New friendships were forged and the message of Salvado’s mission of serving his community, overcoming the odds, and dealing with the difficulties of life and struggle resonated in the group at the end of each day with their aching feet and legs.

It is hoped that students use the Camino experience to try and answer or pray about a question, concern or goal they are grappling with, in the hope that by the end of the walk, they are left with some clarity and support from their fellow pilgrims.

Our departure from Subiaco was made very special by Father Alex and the parish team there at St Joseph’s who arranged a blessing and refreshments for the staff and students and bade us farewell as we began the walk. A huge thank you must go to Chris Jagger from St Joseph’s for her kindness and support.

As we left behind the bustle of Perth and its suburbs and entered the serenity of the Swan Valley, the Perth Hills and then the plains of New Norcia, the true value and support of the staff became apparent. Without Mrs Kobie Connolly, Mr Joseph Italiano and Miss Jessica Wain, this pilgrimage experience would not have been possible. Their selflessness, willingness to share and genuine care and concern for our students and their experience were invaluable, so thank you. A huge thank you must also go to Mrs Sally Topley and Dr John Bell. As committee members in Perth, their efforts and enthusiasm for our students and the pilgrimage was incredible and the impact that Sally had on the pilgrims with her care, support, friendship and advice was amazing.

Finally, to the students and parents of the Camino Salvado pilgrims, 2013: Parents, we were so proud of your sons and daughters, in the way they represented themselves and the College. They are a credit to you and we are certain they will make positive contributions to your families and communities throughout their lives.

If anyone has any questions about the Camino Salvado, please do not hesitate to contact me at the College on ramosnunez.damian@cathednet.wa.edu.

Mr Damian Ramos
Camino Salvado Coordinator
Dear Students and Parents/Carers,

Spectrum is part of the Rainbows Program which is a leadership and peer support program for students who have suffered a significant loss in their life.

When a change takes place in a family – whether it is death, divorce or separation, or any other significant loss, e.g. parents working away (FIFO), physical/mental health issues, it has a profound effect on the whole family. Young people, as well as adults, grieve over significant life changes as well as the loss of loved ones, who were once part of their everyday lives.

The Spectrum Program is not a counselling service. It is a leadership and peer support group, made up of approximately four to eight students and one adult facilitator in each group. The program will run during school time for one period per week for 12 weeks, plus a Celebrate Me Day at the end. Expressions of interest are now open to students and parents/carers to register interest for new groups, commencing in Term 3, 2013.

You may be interested in this program, or know someone else who would benefit from it. If you are interested, please return the reply slip below to Taryn Stodel either via the front office, Paschal Centre reception or the black confidential post box in the PC. If you would like more information, please feel free to contact me on 99200526 or email stodel.taryn@cathednet.wa.edu.au. Please note the closing date for registration will be Week 5, Term 2, Friday 7 June 2013, to allow for initial assessments to be conducted with students.

Yours sincerely,

Miss Taryn Stodel
College Counsellor
(Spectrum Co-ordinator and Facilitator)

---

**Parent Expression of Interest**

I, __________________________ (parent/carer name) am interested in my son/daughter __________________________ (student name) being part of the Spectrum Program at Nagle Catholic College starting in Term 3, 2013.

I have discussed this with my son/daughter (please circle): Yes / No

Fundraising Program

Winter uniform need altering?
As a fundraiser for the SFX Cathedral Restoration, Ms Mavis Taylor has offered to provide a School Uniform Mending and Alteration Service. The cost for each article will be $5 - $15 depending on the time taken to complete the repair. Replacement zips or buttons are to be provided by the parent.

Items can be left at the Bishop's House. They must be clean and placed in a plastic bag with a Contact Form attached (provided at Bishop’s House). You will be notified of the cost and collection date. Items can be collected and paid for at the Bishop’s House.

Any enquiries to Mavis: 0400 349 093 or 99 649 093

SFX Cathedral Restoration Fund – Heavenly High Tea Fundraiser
In July/August a Heavenly High Tea Fundraiser will be held to raise funds for the SFX Cathedral Restoration. Donations of ‘vintage crockery’ are requested for the event. The crockery can be dropped in at the school office for collection. Please contact Jane Rowe for further details via email on pipjohn@westnet.com.au

The University of Notre Dame Australia is holding a Course Information Evening this term. The evening will begin with an EXPO at 5.30pm followed by admissions and course presentations. This event is an ideal opportunity for students to meet with university staff, explore course offerings and gather the most up-to-date course information.

When: Monday 17 June, 5.30 EXPO, 6-7pm Presentations
Where: Drill Hall, cnr of Mouat & Croke Sts, Fremantle
Contact: 9433 05333 or email future@nd.edu.au
