Monsignor Hawes Heritage Centre (MHHC) Volunteer Positions

The Monsignor Hawes Heritage Centre is adjacent to the Cathedral and includes a café as well as a Museum. The museum tells the story of Monsignor Hawes as priest and architect through interpretive panels, audio-visual presentations and artefacts.

The Heritage Centre will also serve as a gateway to around 23 Monsignor Hawes buildings located from Carnarvon to Bindoon.

The MHHC Volunteer has an important role within the museum.

The volunteer’s tasks include:

- welcoming and assisting visitors
- directing visitors to Hawes’ buildings in the Midwest
- selling merchandise
- cleaning and maintaining museum

The Volunteer would need to have good communication skills and a friendly disposition.

An interest in the heritage of Monsignor Hawes and/or tourism would be an advantage.

The Centre is open 7 days a week from 9am to 4pm, and we envisage volunteers being available for a half or full day at a time (but are flexible).

Volunteers who are available on an ongoing basis would be preferred.

Please Call Kellie 0428 993290 to register your interest.
