CELEBRATING
25
YEARS

1 February 2018

Dear Parents and Guardians,

I take this opportunity to welcome you to the new school year and to wish you and your family well for 2018. I extend a warm welcome to the new families who join the Nagle community this year.

A lot of work has been undertaken at the College over the holidays to ensure that our excellent facilities are well maintained.

In addition, the Information Communications Team (ICT) successfully migrated the College network to the new Leading Lights cloud based system. Given the extent of the College network and the number of users, this remarkable achievement has been conducted very smoothly and in accordance with our detailed planning. The final stage involves assisting all students to ensure they are able to successfully connect with their new usernames and passwords.

I also write to convey some key information in relation to several matters:

1. College Board

The Board of Nagle Catholic College is charged with the responsibility of “planning for the present and future operation of the College.” Membership is open to all and I encourage you to consider nominating your services as a Board member.

Parents’ & Friends’ Association

Nagle Catholic College values the involvement of parents and friends of the College. The major objectives of the Parents’ & Friends’ Association are to work in close cooperation with the College, in providing additional education resources for the students, and to enhance the sense of community within the College. Membership is open to all and I encourage you to consider nominating your services as a Parents’ & Friends’ member.

The Annual General Meetings of the College community will be held on **Tuesday 13 February at 7.00pm** in the Staff Room. All are invited to attend.

Its business is as follows:

2. Newsletter

The first College Newsletter will be published on Friday 9 February. Usually, families are sent a link to the Newsletter every fortnight. The first Newsletter is also posted home to families of new students.

The College prides itself on developing strong partnerships with students and their families. As such, I invite you to contact the College, as necessary, should you require any specific information or wish to discuss any matter.

Regards,

Mr Rob Crothers
