

YEAR 10 EXTRA REQUIREMENTS – 2017

THE ITEMS LISTED BELOW, OTHER THAN THE SCHOOL DIARY CAN BE PURCHASED IN YOUR LOCAL AREA.

CALCULATORS

All Mathematics students in Year 10 require a Scientific Calculator.

Students studying Function & Algebra I or Functions & Algebra II must also have a CASIO ClassPad 400 calculator.

Please see attached order details from Abacus Calculators.

LOCKERS

There is no change as Year 10 students will use the same locker and combination lock from last year. Students are required to keep their lock on their locker for the duration of the summer break. Students will use their combination lock until Year 12. **However, a charge will be applied for lost or damaged locks and debited to school fees. Please see Mr Bowen immediately if this is the case.**

COMPUTING AND DEVICES

Nagle Catholic College operates a Bring Your Own Device program.

The College recommends a laptop or MacBook device for Year 10, 11 and 12 students. iPads will be permitted but may not be suitable for working in certain subjects, e.g. Design or IT. The decision as to which device to purchase should be made by parents and guardians.

Students, parents and guardians should consider what specialist software they may use in a subject, e.g. Design, and may seek to have the same or comparable software available for completion of work at home. Computers are available around the College for student use of speciality software such as the Adobe Creative Suite and AutoCAD.

SOFTWARE AND FUNCTIONALITY

To aid in making this decision, this is a listing of functions which students need to be able to perform on their device across most General and ATAR classes:

- Word processing
- Basic image editing
- Basic filming and editing of short movies
- Spreadsheets
- Viewing PDF documents
- Creating and viewing presentations
- Online research
- Access Food Choices

Detailed technical specifications can be found within the Booklists download or on our website at:

web.ncc.wa.edu.au/bring-your-own-device

For further details please contact the Digital Learning Coordinator, Ms Kate Naughtin (2016) on naughtin.kate@ncc.wa.edu.au or Mrs Melanie Jodah (2017) on jodah.melanie@ncc.wa.edu.au

SEQTA Learn

Teaching materials are available to students via SEQTA Learn. Students should take responsibility for viewing any missed lessons in SEQTA Learn and downloading the revision materials. Usernames and passwords will be issued at the start of the year.

STORAGE

All students are provided with a Microsoft account which allows 7GB of online storage via 'Onedrive'. It is also recommended that work also be backed up to a USB Memory Stick or portable hard drive.

It is recommended that USB Memory Sticks should be of at least 8GB.

YEAR 10 EXTRA REQUIREMENTS – 2017
