

YEAR 11 EXTRA REQUIREMENTS - 2017

THE ITEMS LISTED BELOW, OTHER THAN THE SCHOOL DIARY CAN BE PURCHASED IN YOUR LOCAL AREA.

CALCULATORS

All Mathematics students in Year 11 require a Scientific Calculator.

Students studying Applications, Methods or Specialist must also have a CASIO ClassPad 400 calculator.

Please see attached order details from Abacus Calculators.

LOCKERS

New Lockers will be issued at the end of 2016 for 2017. Students are required to keep their lock on their locker over the summer break. Students should have kept their combination locks from Year 10. Students will use their combination locks until Year 12. ***A charge will be applied for lost or damaged locks and debited to school fees. Please see Ms Seaward immediately if this is the case.***

COMPUTING AND DEVICES

Nagle Catholic College operates a Bring Your Own Device program.

The College recommends a laptop or MacBook device for Year 10, 11 and 12 students. iPads will be permitted but may not be suitable for working in certain subjects, e.g. Design or IT. The decision as to which device to purchase should be made by parents and guardians.

Students, parents and guardians should consider what specialist software they may use in a subject, e.g. Design, and may seek to have the same or comparable software available for completion of work at home. Computers are available around the College for student use of speciality software such as the Adobe Creative Suite and AutoCAD.

SOFTWARE AND FUNCTIONALITY

To aid in making this decision, this is a listing of functions which student need to be able to perform on their device across most General and ATAR classes:

- Word processing
- Basic image editing
- Basic filming and editing of short movies
- Spreadsheets
- Viewing PDF documents
- Creating and viewing presentations
- Online research
- Access Food Choices

All students should have earphones available for use in classes.

Detailed technical specifications can be found within the Booklists download or on our website at: web.ncc.wa.edu.au/bring-your-own-device

For further details please contact the Digital Learning Coordinator, Ms Kate Naughtin (2016) on naughtin.kate@ncc.wa.edu.au or Mrs Melanie Jodah (2017) on jodah.melanie@ncc.wa.edu.au

SEQTA Learn

Teaching materials are available to students via SEQTA Learn. Students should take responsibility for viewing any missed lessons in SEQTA Learn and downloading the revision materials. Usernames and passwords will be issued at the start of the year.

STORAGE

All students are provided with a Microsoft account which allows 7GB of online storage via 'Onedrive'. It is also recommended that work also be backed up to a USB Memory Stick or portable hard drive.

It is recommended that USB Memory Sticks should be of at least 8GB.

YEAR 11 EXTRA REQUIREMENTS - 2017

CHEMISTRY

A one-off fee of \$89.95 will be added to the school fees for the purchase of an electronic resource for students studying the Chemistry course in Year 11.

DESIGN GRAPHICS

Digital Storage space will be made available through the school network, however, a personal storage device is essential to ensure students have adequate storage space and a 'back-up' of all digital work. A 'portable external hard drive' is the recommended storage device and should provide enough space for the entire Year 11 & 12 DESIGN GRAPHICS course.

DESIGN GRAPHICS & DESIGN (TECHNICAL GRAPHICS)

Students must have an external hard drive. (** See *Computer Facilities above*).

FOOD SCIENCE AND TECHNOLOGY

Students will be issued with an apron and hat from the Home Economics Department each time they are required to cook.

Students are required to bring their own device, pens, pencils and glue sticks to each class.

INSTRUMENTAL STUDENTS

- **Guitar** ~ Students will require a guitar pick.
- **Drums** ~ Students will require a pair of drumsticks.

PENS AND PENCILS

Students are to supply pens, pencils, rulers, erasers, coloured pencils, textas, glue sticks, scissors as required.

PHYSICS

A one-off fee of \$89.95 will be added to the school fees for the purchase of an electronic resource for students studying the Physics course in Year 11.

RELIGION AND LIFE (ATAR 1 and 2)

A one-off course levy of \$9.00 will be added to the school fees for all students studying Religion and Life at the ATAR level. This payment will meet the terms of an ongoing copyright licencing agreement for a digital version of two textbooks (*Catholic Ethical Thinking* and *Catholic Studies*) and will enable the necessary access for students.

SCHOOL DIARY

Each student receives a College Homework Diary at the beginning of the year. The cost of the Diary is debited to the family fees account. Replacement diaries are available for purchase from the school office.

SCHOOL UNIFORMS

Please Note: The College Physical Education uniform is compulsory for all Year 11 students.

It is recommended that all articles of school clothing including shoes, be clearly marked with the student's name.
