CHRISTIAN
SERVICE
LEARNING

‘REACHING OUT’
The Christian Service Learning Program provides Nagle Catholic College students with an exciting opportunity to explore a range of service activities and reap the rewards which flow from putting others first.

Nagle Catholic College is a Catholic School based on the vision of its co-founders Venerable Nano Nagle and Blessed Edmund Rice, two people whose life work was serving others.

By taking time to help others, we learn more about the individuals and groups which make up the communities to which we belong. We are also given the opportunity to develop our personal gifts and have a positive influence within these communities.

‘For Others,’ our college motto, encourages us to take time to put others first and consider ways we can develop the virtues of compassion, generosity and respect. By helping others, we can make the world a more just and caring place.

Through the Christian Service Learning Program, our students will be rewarded by gaining self-confidence, learning new skills, developing relationships and discovering new talents and interests.

The Year 8 Christian Service Program ‘Reaching Out’, introduces students to the concept and experience of helping others in their home, neighbourhood and other community groups to which they belong. This could be Nagle College, your parish, the town in which you live, a sporting group or a community group to which you belong.

WELCOME TO ‘REACHING OUT FOR OTHERS’

Program Requirements

‘Reaching Out’ is the Year 8 stage of the Nagle Catholic College Christian Service Learning Program.

Over the next **twelve weeks** you are required to provide a total of **10 hours** of service in a minimum of **three different types of activities**. **At least 5 hours** of service should be given to an individual or group other than your family, friends or close neighbours.

By experiencing a variety of activities you will gain insight into the world of volunteering and develop a greater sense of your personal interests and talents.

This insight will be valuable when considering career paths and future volunteer activities. You will also discover that by giving to others, you will receive a sense of appreciation and satisfaction.

As you are required to complete a variety of Christian Service activities in your own time, planning your Christian service work is an essential part of the Service Learning Program.

**When planning, consider the following questions:**

- What voluntary activities am I already involved in?
- What other activities can I do?
- Who is receiving the benefit from this service?

**When choosing the activity, you should also consider the following:**

- Is this a response to someone’s need?
- Is this something I feel confident in performing?

“No one is useless in this world who lightens the burden of it for someone else.”
- Benjamin Franklin
Jesus Teaches Us About Service

The Parable of the Good Samaritan (Luke 10:25-37)

On one occasion an expert in the law stood up to test Jesus. “Teacher,” he asked, “what must I do to inherit eternal life?”

“What is written in the Law?” he replied. “How do you read it?”

He answered, “‘Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind’; and, ‘Love your neighbour as yourself’.”

“You have answered correctly,” Jesus replied. “Do this and you will live.”

But he wanted to justify himself, so he asked Jesus, “And who is my neighbour?”

In reply Jesus said: “A man was going down from Jerusalem to Jericho, when he was attacked by robbers. They stripped him of his clothes, beat him and went away, leaving him half dead. 31 A priest happened to be going down the same road, and when he saw the man, he passed by on the other side. 32 So too, a Levite, when he came to the place and saw him, passed by on the other side. 33 But a Samaritan, as he travelled, came where the man was; and when he saw him, he took pity on him. 34 He went to him and bandaged his wounds, pouring on oil and wine. Then he put the man on his own donkey, brought him to an inn and took care of him. 35 The next day he took out two denarii and gave them to the innkeeper. ‘Look after him,’ he said, ‘and when I return, I will reimburse you for any extra expense you may have.’

“Which of these three do you think was a neighbour to the man who fell into the hands of robbers?”

The expert in the law replied, “The one who had mercy on him.”

Jesus told him, “Go and do likewise.”

**Principles for setting goals:**
- Be specific. Know in your own mind what you want to do.
- Set a deadline for when you want to achieve the goal.
- Be realistic. Is your goal achievable?
- Develop a plan of action. Consider time commitments, transport etc.
- Reward success. Be positive and congratulate yourself as you progress toward your goal.

**Types of Goals:**

**Short term:** to be achieved today or this week.
Eg: Take journals home and discuss with parents.
Spend time planning your Christian Service.

**Intermediate:** to be achieved in 2-6 weeks.
Eg: Deciding on specific service activities and making enquiries regarding them.

USING THIS JOURNAL

This section of the journal contains a copy of the Service Activity Record Sheet, which needs to be completed each time you provide service to someone.

The Service Activity Record Sheet has two equally important parts:

- **Activity Record** – provides a record of the service you provided: the time spent, who you helped, what you did, and verification that the activity was completed.

- **Activity Review/Reflection** – provides guidelines to assist you in reflecting on each service experience: the review will help you to discover your talents and interests, as well as indicating areas that may need improvement.

It is crucial that you complete each record form soon after giving the service so you can easily recall details about the experience.

Before submitting your Activity Record Sheet, please ensure that you have completed all of the requirements.
